

Lessons from the Pandemic

Lesson 5: Gen. 1:28 – ...have dominion over fish, birds, every living thing on earth.

Define: *Dominion* Hebrew [Radah] to exercise skilled mastery (of life) among (with respect to); Hebrew word “radah” is the royal word for Kingship

Dominion in Unity: (All-Good Domain)

Application of Gen. 1:28 is Gen. 2:15 Lord God took man and put him in the Garden of Eden to tend (care) & keep it (thorn – protect).

Dominion in Division: (Not-All-Good Dominion)

The Process:

We subdue (Gen. 1:2) so we can see the need to divide (Gen. 1:3) the Kingdom of Light from the Kingdom of Darkness. Then we Rule (Gen. 1:28) by caring and keeping from the throne of Jesus (Rev. 3:21; Eph. 1:22-23) until all enemies are under His feet (I Cor. 15:25) and the Earth is filled with the Glory of the Lord (Num. 14:21).
